Welcome to today's visitors Brighton, who are among the promotion candidates this season.

Their performances so far have been all the more remarkable since they only left the Third Division at the end of last season.

But manager Alan Mullery has forged a formidable outfit with plenty of skill and ability — and he hasn't been afraid to spend quite a lot of money on new signings.

Earlier in the season, we won 2—1 at the Goldstone Ground and I rate that one of our best displays.

The aim now is to show that our defeat in the FA Cup fifth round at Middlesbrough on Monday night hasn't affected us as we continue our bid for promotion.

Before that match, I played things in a low key. We didn't want the players to be thinking about the Cup-tie when we were involved in a League match at Stoke on the Saturday.

We earned a valuable point at Stoke, so our tactics paid off. And there was no way we didn't want to win at Middlesbrough.

I was very disappointed at the defeat but I pay tribute to the players for the way they battled and fought. I was proud of them.

We didn't play as well as we can at Middlesbrough, but now the Cup is out of the way we need to concentrate all our efforts in picking up points.

After today's game we entertain Sunderland on Tuesday night in a rearranged fixture and we'll be looking for maximum points from the two outings.

ERIC STEELE (Goalkeeper). Born in Newcastle, Eric's first club was Newcastle United, but he didn't play in the first team. He moved on to Peterborough and made 124 League appearances, then signed for Brighton where he played 15 first team games up to the end of last season.

PAUL CLARK (Midfield). Signed from Southend for £30,000 plus a player in part-exchange as Alan Mullery strengthened his squad after gaining promotion to the second Division at the end of last season.

GARY WILLIAMS (Defender). Colleague of Mark Lawrenson at Preston, Gary is a left back who has established himself well since signing for Brighton this season.

BRIAN HORTON (Midfield). Brian was born in Hednesford and made 232 League appearances for Port Vale, his first club. He signed for Brighton and up to the end of last season had played 56 times in League games.

ANDY ROLLINGS (Defender). Andy was born in North Weston and started his soccer career with Norwich City where he made just four appearances for the first team before being snapped up by Brighton. Passed a milestone near the end of last season when his appearances topped the hundred mark.

MARK LAWRENSON (Defender). Mark cost Brighton £100,000 when he moved to the South Coast. He is a republic of Ireland international who signed from Preston in the close season.

PETER WARD (Striker). Peter was born in Derbyshire and Brighton are his first club. Made a big name for himself last season when he broke the club scoring record with 36 goals in Brighton's promotion season. Prior to today, he had scored 15 goals this season.

MALCOLM POSKETT (Striker). Born in Middlesbrough, Malcolm's first club was his home town team. He made one League appearance as substitute then moved on to Hartlepool. He made just 29 League appearances and scored 10 goals for them before Brighton signed him for a £60,000 fee.

PETER SAYER (Striker). Manager Alan Mullery made what could be the signing of the season when he secured the transfer of Peter from Cardiff for £100,000. He is a speedy attacker who is a Welsh international.

PETER O'SULLIVAN (Midfield). Welsh international born in Colwyn Bay, Peter has proved to be a big asset since signing for Brighton. They picked him up after he left Manchester United, where he was an apprentice, without reaching the first team.

ERIC POTTS (Midfield). Born in Liverpool, Eric had made 143 League appearances for Sheffield Wednesday, his only previous club, before being signed by Brighton during the close season.

PETER GRUMMITT (Goalkeeper). Started his career with Nottingham Forest and made 313 League appearances for them. Peter then moved on to Sheffield Wednesday and played 121 League games before joining Brighton.

CHRIS CATTLIN (Defender). Born in Milnrow, Chris got his first break with Huddersfield Town. He was transferred to Coventry City where he made the bulk of his Football League appearances — 213. Then came the move to Brighton where he has settled in well in the back four.

TED MAYBANK (Striker). Brighton manager Alan Mullery broke the club's transfer record by a large margin when he spent £200,000 to sign Ted from Fulham. Previously with Chelsea, he has been out for a spell with injury this season.

Today's Visitors

Brighton, chasing promotion for the second successive season, have been breathing down our necks all season and none of the ambitious clubs at the top dare relax whilst they are in their present mood.

Manager Alan Mullery, who led the club back to the Second Division last season in his first season as a manager, has since made some shrewd additions to his squad. He paid Southend £30,000 plus a player to sign midfielder man Paul Clark and then smashed all club records by paying Fulham £200,000 for centre-forward Teddy Maybank.

Maybank scored four times in his early games but was then forced out by injury. For fear that their promotion chances might fade, Mr. Mullery then signed another striker Malcolm Poskett from Hartlepool for £60,000.

Poskett — whom Hartlepool had signed from Whitby Town 18 months earlier for £251 — made a wonderful start with vital point-winning goals in his first two games.

Mr. Mullery signed a third big-money striker a couple of weeks ago when paying Cardiff £100,000 for Welsh international Peter Sayer.

Brighton now possess some of the brightest attacking talent in the Second Division for they also have that instinctive goalscorer Peter Ward who is now regaining some of his old shooting form.

Last season Ward smashed all previous club records with 36 in League and Cup. He has scored 15 this season including a hat-trick in their 5-1 win over Mansfield in January.

Another newcomer this season is central defender Mark Lawrenson, a Republic of Ireland international who arrived from Preston for £100,000 during the close-season. Left-back Gary Williams, another ex-Preston player, followed later.

So a new-look Brighton side has been evolving with Eric Steele in goal and a back four of Chris Cattlin, Andy Rollings, Mark Lawrenson and Gary Williams.

Brian Horton, Paul Clark and Peter O'Sullivan, the Welsh international, have been filling the midfield positions with Tony Towner, Peter Ward and Malcolm Poskett operating in attack since the injury to Maybank. Now Sayer is occupying one of the front three places.

Eric Potts, another of last summer's signings, has recently been on the substitute's bench. Potts was signed from Sheffield Wednesday.

Brighton's away wins were achieved at Mansfield (2-1), Sunderland (2-0), Blackpool (1-0), Orient (1-0) and Millwall (1-0).

They drew at Southampton (1-1), Burnley (0-0), Tottenham (0-0) and Hull (1-1).

Brighton have been beaten at Charlton (3-4), Stoke (0-1), Notts Co. (0-1), Fulham (1-2) and Luton (0-1).

Brighton took a surprise knockout in the fourth round of the F.A. Cup when they were beaten 2-1 at home by Notts County. They also went out in the second round of the League Cup, losing a second replay with Oldham by 2-1.

Brighton F.C. was formed in 1900 and joined the Football League Third Division (South) in 1920. There they remained until 1958 when they gained promotion to the Second Division.

Four years later they dropped back into Division Three and, twelve months later again, suffered their first taste of Fourth Division play. They returned to Division Three in 1965 and in 1972 gained promotion to Division Two. But they remained for only one season.
